

Quantitative modeling and prediction of cryptocurrency

Yixin Lin, Mark Schreiber, Andy Wang

May 3, 2018

Abstract

Abstract.

Contents

1	Introduction	2
2	What is cryptocurrency?	2
3	Recent trends in the cryptocurrency markets	2
4	Modeling methods	2
4.1	Bayesian regression	2
4.2	A simpler time-series approach	2

1 Introduction

2 What is cryptocurrency?

3 Recent trends in the cryptocurrency markets

4 Modeling methods

4.1 Bayesian regression

[Shah and Zhang, 2014]

4.2 A simpler time-series approach

[Amjad and Shah, 2017]
